

## **M.S.A.D. No. 75 Food Services Program**

Moe St. Pierre, Director

**PURCHASE OF TICKETS:** School lunch and a la carte milk tickets may be purchased at any time during the school year. We encourage students to purchase tickets on a weekly or monthly basis and that payment is made with a check made payable to: MSAD #75 School Nutrition Program instead of cash. It is helpful to the student and ticket seller if the payment is placed in an envelope marked with the number and type of tickets being purchased. Tickets are sold every day before the start of school. We are unable to sell tickets during the service of lunch.

**CHARGING:** In the event that a student needs to charge a school lunch or a la carte milk, he/she may do so in the morning before school starts. Payment is expected the next day. If a student has more than five (5) charges on the books, a notice will be mailed to the parents. If payment is not made, parents will have to make alternate arrangements for lunch and/or milk. Charging is a service only offered to students in grades K– 5. We encourage students to carry M.S.A.D. No. 75 Food Service Gift Certificates as an emergency back up.

**MSAD No. 75 will not replace LOST OR STOLEN TICKETS.** We strongly encourage that your child writes his/her first and last name, in ink, on the back of his/her tickets.

**DROPPED TRAYS** will be replaced at no additional charge to the student.
