

Easy steps to start a team

- Register your school with Math Olympiads (Already done! All SAD 75 schools are registered!)
- Compile a list of interested students
- Figure out when, where and how you will practice the challenges (click to see how other teachers did it)
- Meet with your school's **PICO**, meaning **Person In Charge Of** (click for your school's **PICO**) to:
 - ___ A. Sign up your team
 - ___ B. Get the PICO password/username (gets you into the official MO website)
 - ___ C. Find out test dates
- Get practice challenges from this website or Math Olympiads Website
- Start practicing!
